College Hours of Operation

Central Community College business hours are 8 a.m. to 5 p.m. on Monday through Friday.

Registration

Registration may be conducted any day the college is in session within the registration guidelines. Class offerings and details are published at www.cccneb.edu > Search for Classes. Special courses and workshops are scheduled on demand and are advertised accordingly.

It is important to review a plan of study with your academic advisor prior to registration. To view the courses required for your degree, go to WebCentral>My Services>MyCCC>Student Planning>My Progress.

College Information

Academic Success Center

The Academic Success Center provides the following services to all currently enrolled CCC students (whether on-campus or distance learners):

- Tutoring in a variety of subjects - drop-in, virtual, and small group
- Writing Coaches
- Testing services for students with accommodations
- Support in study skills – test taking, note taking, etc.
- Assistance in improving reading, writing, and math skills to reach college-level demands
- Computer lab and printer
- Academic English classes for English language learners (Columbus)

The Academic Success Center can be found at the following campus locations:

- Columbus:** Room 119, Student Center
- Grand Island:** Room 451
- Hastings:** Dawson Building, Room 220

Academic Transfer Office

The Academic Transfer office is the central coordinating service for academic advising for students who plan to transfer to another institution. Students are provided guidance on general education requirements for transferring to other colleges/universities and on CCC's policies, procedures, and resources.

The Academic Transfer Specialist assists students in planning course schedules and developing a plan of study for earning an Associate of Arts or Associate of Science Degree. In addition, the Academic Transfer Specialist advises students who are preparing for numerous professions and clarifies the transfer institution's policies and procedures. The Academic Advising Office can be found at the following campus locations:

Columbus: Room 101, Student Center
Grand Island: Room 498
Hastings: Student Success Center, Dawson Building

Advisors

Students who are seeking a certificate, diploma, or a degree are assigned an advisor who helps arrange a course of study that meets the student's goals and the graduation requirements of Central Community College. Advisors collaborate with you to help you achieve academic and personal success. Advisors can help you:

- Plan your class schedule.
- Learn about transferring to a 4-year university.
- Explore career options and resources.
- Find various campus services like tutoring, career planning, academic help and more.

Consult your academic advisor every step of the way: when you arrive at CCC, while you are a student here and when you are making plans for your future. It is strongly recommended that students work with their advisors to create a course of study, for registration, changes in registration, graduation clearance and other enrollment procedures. All of this work is tracked and documented in the Student Planning pages of WebCentral at: <https://colssprod.nt.cccneb.edu/Student/Planning>.

Animals on Campus

Service animals may accompany students, employees, and visitors with disabilities to all Central Community College (CCC) events, activities, and locations. Local, state and federal laws regulate the use of service animals at CCC locations and/or events. Comfort animals (also known as therapy or emotional support animals) are generally not permitted in College facilities or at CCC events. Requests for exceptions to this general rule must be submitted to the responsible administrator prior to the event/

activity and will be reviewed/decided on a case-by-case basis. An exception to this rule is in residence halls. CCC complies with the Fair Housing Act and has a procedure for resident students to request to have their emotional support animals in their room.

Assessment of Student Learning

Central Community College publishes student-learning outcomes by program. A copy may be obtained from the specific program faculty member. The faculty will assess the student's academic achievement of the published outcomes at or near the end of the student's program. Depending on the number of students enrolled in a program, all degree-seeking students or a randomly selected sample of these students will be required to participate in the assessment process. The college will assess student learning through one or more of the following measurements:

1. Development of a portfolio of a student's works such as exams, report papers, videos, and etc.
2. A capstone experience (course or part of a course) where a student will complete a project using all of the skills learned throughout the program of study.
3. Series of exams.
4. A combination of the above
5. The assessment process provides information to the faculty for improving the quality of student learning. The assessment process has no impact on the student's grades or graduation.

Attendance

Regular attendance and conscientious work habits are necessary to meet the college's expectations for standards of progress. Instructors may evaluate attendance as part of your grade. It is important to attend classes when you are scheduled, so you can get the help you need from instructors and take tests during the scheduled lab or course period.

Good attendance not only will help you learn and get earn grades, but it also shows responsibility and reliability, characteristics which employers will value when hiring new workers.

If you know you will be absent for a short period of time please notify your instructor(s); if you will be absent for an extended period of time, please contact the Associate Dean of Students to discuss a Leave of Absence.

If attendance becomes a problem, your advisor may be notified, and you may be required to meet with the advisor prior to your return to class. Continued poor attendance can be grounds for academic probation.

Basic Skills Improvement

Each campus offers courses and workshops to improve students' reading, writing, math, spelling, and study skills. For information on short-term math, reading, and writing workshops, contact your Academic Success Center directly. To enroll in a semester-long Foundations course, please reach out to your academic advisor.

Bookstores

Follett Higher Education Group operates a bookstore at each of the major campus sites of the college. Besides books and school supplies, the bookstore also offers a variety of merchandise for student purchases. The bookstore establishes textbook refund policies as directed by the Follett College Stores. Customer hours are posted at each campus bookstore. Books can be purchased at www.efollett.com. In addition, textbook rental options are also available.

Catalog

Central Community College publishes an annual catalog. The catalog is available via the web at <http://catalog.cccneb.edu/>.

Career & Employment Services

The CCC Career and Employment Services Directors can help students with a variety of career exploration and job-search needs, including the following:

- Choosing a program of study.

- Developing and editing resumes.
- Searching for part-time or full-time jobs or internships.
- Preparing and practicing for job interviews.
- Coordinating internships or cooperative education experiences.

A bulletin board with job postings is located near each Career and Employment Services office. Students are encouraged to activate their account and can become members of the CCC online job board at www.cccneb.edu/ces where they can access current job openings and career-related resources.

The Career & Employment Services Office can be found at the following campus locations:

Columbus: Student Center, Room 101

Grand Island: Room 498

Hastings: Hall Student Union

CCC Center Information

Central Community College has centers in the Holdrege, Kearney, Lexington, and Ord communities. For contact information at CCC Centers, please refer to the CCC Center Assistance and Advice page.

Cell Phone Policy

Cell phone use in classrooms and labs is at the discretion of the faculty member. If you have questions about whether cell phone use is allowed, please ask your faculty member directly. Cell phone use in the Resource Centers (Libraries) is not permitted out of respect for others who are using the facility. Cell phone use in lounge areas, cafeterias, outdoor spaces, and hallways is permitted.

Children on Campus

Unless appropriate to course content, children should not be brought into a class/lab or left unattended elsewhere on campus.

College Success Skills

Central Community College offers a beneficial course for all new students entitled College Foundations. This is a three-credit

hour course that provides incoming students with strategies and information to help improve students' abilities in test preparation, time management, communication, study techniques, and other skills that can positively affect your educational outcomes. Your academic advisor can assist you in registering for this course.

Copyright Digital Copying Law

Do you download music, movies, or books online? If so, make sure you are doing it legally or there can be serious consequences!

What is the law? The Digital Millennium Copyright Act of 1998 (DMCA), a federal law designed to protect the authors of intellectual works such as books, movies and music prohibits sharing these files.

Copying and sharing someone else's work may violate an author's rights even when you are not selling the copies.

What about peer-to-peer file sharing programs? Central Community College forbids the use of all peer-to-peer application on the college network and computers.

What should I do? Immediately stop downloading copyrighted material illegally. To comply with the law and to protect yourself from possible litigation, we strongly encourage you to remove illegally obtained copyrighted material from your computer. For a list of legal alternatives and known legitimate, download services visit: www.educause.edu/legalcontent.

Counseling Services

Central Community College offers a comprehensive counseling model with a variety of services that include confidential counseling, crisis intervention, outreach, prevention education and consultation. Individual and group counseling sessions are available to assist students struggling with emotional, social, family, or substance abuse issues. Counseling services are free to all currently enrolled students. Central believes that resolving personal issues allows students to focus on their academic goals, which leads to a successful college experience. Students may access counseling services themselves or be referred by a CCC staff member. To

schedule or speak with a counselor, call 402-562-1244. For additional information visit <http://www.cccneb.edu/counseling>.

Disability Services

The mission of the Disability Services program at Central Community College is to create an accessible community where individuals with disabilities have an equal opportunity to participate in or benefit from all college programs, activities, and services. The Disability Services Office on each campus is the designated office that maintains disability-related documentation, determines eligibility for academic accommodations, and develops plans for the provision of such accommodations for eligible students.

It is the student's responsibility to request services if accommodations are desired. For more information or to access services, please visit www.cccneb.edu/disability-services or contact the Disability Services Office at any of the three campus locations.

Emergency Alert Notification System

Central Community College has partnered with Rave Mobile Safety to provide an emergency alert notification system, called CCCAlert.

This system is capable of delivering messages to your college and personal e-mail accounts, as well as your home phone or cell phone.

CCCAlert will give emergency direction and notification to students, staff, and faculty upon the College's confirmation of a significant emergency, dangerous situation, or campus closure. Students are automatically enrolled in CCC Alerts when they register for classes. Students may update their phone numbers and e-mail addresses for CCCAlert at www.getrave.com/login/cccneb by entering your CCC e-mail address and password. If you do not have your password, use the "Forgot username or password" link on the login page.

Face Coverings

The safety and overall well-being of CCC students and staff is an important priority for Central Community College. Should

federal, state, or local directives be issued, the College will act in accordance with such directives and may implement procedural requirements for students, which could include expectations for face coverings in certain situations. Any recommendations or requirements for students will be communicated to registered students through their CCC email.

Financial Aid

CCC students benefit from many sources of financial assistance. The biggest forms of aid are determined by the Free Application for Federal Student Aid (FAFSA). This is the need analysis that determines eligibility for the following:

1. Grants (gift assistance that does not need to be repaid);
2. Work study employment program;
3. Loans (assistance that is borrowed and must be repaid).

The FAFSA must be completed each academic year for which students need assistance. While CCC does not have a specific deadline to complete the FAFSA, some forms of aid are awarded on a first come, first serve basis. Therefore, students are advised to apply by March 1st prior to the start of the academic year to ensure their maximum aid eligibility.

In addition to the above sources of funding, CCC offers many scholarship opportunities for new and returning students. Applications are available online after October 1, and the deadline to apply is March 1 prior to the start of the academic year.

For more detailed information about financial aid and scholarships, please refer to the CCC catalog and the CCC website for specific information. You can access the financial aid page at www.cccneb.edu/FinancialAid.

You can also contact your campus financial aid office for more information.

Fire Emergency

State law requires that when a fire alarm sounds, all persons on the premises must evacuate the building and remain a minimum of 150 feet from the building and off any access roads.

In the event of a fire or another emergency, notification will be by fire alarm. When the

fire alarm sounds, students are to immediately leave the building via the closest exit. Campus personnel will notify students when it's safe to re-enter buildings.

The college views unauthorized use and tampering with fire equipment (extinguishers and alarms) as a serious offense. Severe sanctions may be imposed if such violations occur.

First Aid

First aid kits are available in each building. Please check with building staff for the location of medical supplies.

Use building medical supplies when administering first aid. If an injury requires further medical attention, a local physician or hospital should be contacted. Central Community College reserves the right to contact a physician and/or call for an ambulance in case of student illness or injury if the situation, in the judgment of the college official, merits such action.

Food Service

Cafeteria service is provided by Chartwells at both the Hastings and Columbus campuses. A snack bar is provided by Chartwells at the Grand Island and Hastings Campuses. Food service is not available during the Fall Break, Thanksgiving Break, the December/Holiday Break, and Spring Break. Food service is available on the weekends at the Hastings and Columbus campuses. Students residing on-campus must contract for both room and board.

Grades

Students may access their final grades through WebCentral. (In the My Services menu, click on Services for Students, Academic Planning, Student Planning, Academics (top of page), then on Unofficial Transcript).

Grade Appeal Policy

Faculty of Central Community College have the right and responsibility to assign grades based on work submitted. Evaluation of student performance is based on the professional judgment of instructors. A student may appeal a course grade under one or

more of the following conditions:

- An error was made in the numerical calculation of the final course grade.
- The student believes the final grade is not indicative of his/her academic performance.
- The instructor departed substantially from his/her grading rationale published in the original course syllabus/course requirements.

Only the final grade may be appealed. For additional information, please reference the grade appeal process located on the CCC website at <http://www.cccneb.edu/gradeappeal>.

Graduation

Applying for graduation:

Degrees, diplomas, and certificates are awarded three times a year (December, May, and August). A graduation application is required for each degree, diploma, and certificate earned. The deadline for applications is posted in the academic calendar. See your advisor to apply for graduation.

For more information about graduation requirements, reference the CCC catalog at <http://catalog.cccneb.edu>. Graduation requirements are detailed in the Instructional Information section under "Graduation Requirements".

Commencement Ceremony:

All eligible students who apply to complete a diploma and/or degree may participate in a Commencement Ceremony. An All-College Winter Commencement Ceremony is held in December for December graduates. Spring Commencement Ceremonies are held on the Columbus, Grand Island, and Hastings campuses in May for both May and summer graduates.

Honor Medallions

Honor medallions are awarded to degree graduates participating in commencement ceremonies who have maintained a cumulative grade point average of 3.75 or higher. Eligibility for the medallion is based on the student's cumulative GPA from all semesters prior to the semester of the commencement ceremony. The cumulative GPA used to

determine eligibility is calculated through the fall semester for Spring Commencement and through the summer semester for Winter Commencement.

Students with questions regarding eligibility for honor medallions may contact their campus Registrar's Office.

Housing

On-campus residence halls are available at Columbus and Hastings for full-time students and other students approved by the Director of Residence Life on each campus. Private apartment-style residences are available adjacent to the Grand Island campus.

On-campus residence hall rooms are furnished with beds, mattresses, wardrobes, study desks, and chairs. Students residing in the residence halls must provide their own bedding, pillows, towels, and personal items. The residence halls will be closed to students during the December holiday break. Resident students are responsible for providing their own living accommodations during this break.

For specific on-campus residence hall information, please contact the campus Residence Life Office at Columbus or Hastings. For information on housing in Grand Island, contact the Admissions Office.

In the interest of creating inclusive communities and to include every individual student, Residence Life is committed to policies of non-discrimination and equal opportunity.

There is no on-campus housing for married students. Upon request, information about off-campus rentals, of which the campus has been notified, will be available in the campus Residence Life Office.

Leave of Absence

Leaves of absence may be granted in extraordinary circumstances such as a medical emergency. If you need to request a leave of absence, please contact the Associate Dean of Students on your campus. For a leave of absence due to pregnancy, please contact the Disability Services Office on your campus. Students who are financial aid recipients should also contact the Financial Aid Office on their campus.

Loitering

Anyone found loitering or congregating on college grounds after 1:30 am may be investigated by campus security and requested to either leave the premises or, in the case of a residence hall student, to return to the residence hall.

In the interest of safety, security personnel may check identification as necessary and appropriate.

Library Resource Center

Library Resource Centers offer students a comfortable, quiet atmosphere to study, learn, and relax. The staff is happy to assist students in making effective use of library services. We provide individual assistance in the use of technologies, research techniques, and use of electronic resources. The library's website (<http://libguides.cccneb.edu/libraries>) is designed to make it easy for students to find the information they need.

Students have access to print collections, subscription databases, state and local newspapers, and a vast collection of eBooks, research guides, periodicals, and journals ranging from academic to general interest. Also, students may access computers, wireless internet service, and copiers/printers all within the LRC. Additional services provided to students include Resource Sharing (Interlibrary Loan), reference assistance, and library orientations.

Contact information for each Library Resource Center is located on the library website. The Columbus Campus LRC is located in the East Education Building. The Grand Island LRC is located in College Park, and the Hastings LRC is located in the Nuckolls Building.

Lost or Stolen Articles

Central Community College is not responsible for lost or stolen articles. Contact campus security for assistance in reporting lost items.

Medical Emergency

If a student, guest, or visitor becomes ill, CCC reserves the right to call a physician or ambulance, if, in the judgment of a college official, the situation merits such action. Students/visitors are responsible for any costs

related to medical or ambulance service. In the event there is a medical emergency on campus, as a student, you must rely on your own judgment to react to the situation in a sensible matter.

If you have any doubts about the seriousness of the injury/illness, "call 9-911". The rescue team can make the medical determination upon arrival. Do not hesitate to use any campus phone to dial 9-911 and give the following information:

1. Your name and that you are calling from Central Community College.
2. The telephone number you are calling from.
3. Complete address including town, address, building, and room number.
4. Nature of the problem and condition of the patient.

Do NOT hang up until the dispatcher indicates they have all the instructions or information they need.

After you have made the initial call, please inform campus security personnel of the emergency by calling (402) 910-6665 on the Columbus Campus, (308) 258-4342 on the Grand Island Campus, or (402) 461-2599 on the Hastings Campus.

Medical Financial Responsibility

The student is responsible for all costs incurred for any medical treatment or transportation.

Official Communications

Each student is responsible for monitoring his/her Central Community College (CCC) email account for official communications. Communications to the entire student body are considered properly delivered when they are placed on official campus bulletin boards, on Canvas and/or on WebCentral or the CCC website. Each student is responsible for regularly checking the bulletin boards and websites.

A request that a student report to an administrative or faculty office may be made by letter, email, or telephone. Failure to comply with such a request may result in disciplinary

action under the student code of conduct.

PaperCut

As part of Central Community College's 3C Green Initiatives, CCC has instituted PaperCut to monitor printing and to help reduce paper waste. Students are charged for printing done on campus through the PaperCut system. Each student receives a \$10 credit on their account at the beginning of each semester. Students can purchase additional printing if needed. Contact the Student Accounts Office with questions or to place additional funds in your PaperCut account.

Pre-Enrollment Assessment

All certificate, diploma, and degree-seeking students (and those enrolling in a math, reading, writing, or English Language Learner course) are encouraged to take a pre-enrollment assessment prior to enrollment. Assessment scores will be utilized to recommend proper course placement to help ensure academic success.

Pregnancy & Parenting

Central Community College recognizes that our students are individuals with individual needs. We believe in providing comprehensive student support services that address students' unique needs, and we are committed to protecting the rights of all students.

For students who are pregnant and/or have pregnancy-related concerns, as well as students who are newly parenting based on birth, adoption, or foster parenting, please contact the Disability Services Director on your campus for information on accommodations and support that you are qualified for, under federal law.

In addition, Central Community College provides a lactation room for students who need to express breast milk while on campus. Please visit <https://www.cccneb.edu/pregnantandparenting> for details on the locations of our lactation rooms and for additional information related to pregnancy and parenting needs.

Phi Theta Kappa

Phi Theta Kappa is the official honor society for two-year colleges and is recognized by the American Association of Community Colleges.

A separate chapter of the international honor society is available on each campus. Phi Theta Kappa recognizes student scholastic achievement and leadership potential. Membership is by invitation based on academic excellence, character, and citizenship. Members must have completed a minimum of 12 college credit hours at CCC and have a cumulative grade point average of 3.5 or above.

Phi Theta Kappa members join to pursue intellectual endeavors, grow in leadership skills, and provide services to the college and local communities.

Posting Notices

Requests to post items on college bulletin boards and/or display materials on the campus will need to be approved by the Student Activities Director or the Associate Dean of Students.

Privacy Policy

It is the policy of Central Community College to recognize and protect the privacy rights and intellectual property rights of students, faculty, employees, and of the College. Central Community College prohibits the unauthorized use on College properties of electronic or other audio and video recorders, including but not limited to camera phones, PDA's, digital cameras, etc., capable of recording sounds and images where students, guests and employees have an expectation of privacy or where proprietary, confidential and restricted information such as tests, student records, etc., are in use or are stored.

Publicity

If you need help publicizing a student activity or if your student club is involved in an activity that would make a good news story, have your organization's sponsor contact the college communication office at 308-398-7355 or email Scott Miller at scottmiller@cccneb.edu

cccneb.edu.

Read & Write Learning Software

Read & Write is a literacy software that makes the web, documents, and files more accessible-any time, any place, and on any platform or device. Read & Write offers easy-to-use assistive technologies available for both PCs and Macs. Every student learns differently. Read & Write is great for people who struggle with reading or other learning difficulties, or anyone whose first language is not English. Additionally, thousands of students in higher education rely on Read & Write to help with reading, writing assignments, online research, and independent study. From reading on-screen text aloud to researching, studying, and proofing written work, Read & Write makes lots of everyday tasks easier for any college student. It's a big confidence booster for anyone who needs a little help with their reading, writing, or studying.

Registered Sex Offenders – Campus Sex Crimes Prevention Act

Central Community College is committed to providing an atmosphere that encourages learning, the exchange of ideas and interacting with one another in a safe environment. For the purposes of safety, security, and welfare of students living in CCC residence halls, any person required by the State of Nebraska to register as a sex offender will not be permitted to reside in any CCC residence hall.

Registered sex offenders who plan to attend classes on any campus of CCC must register with the Associate Dean of Students within ten days of enrolling or on the first day of class attendance, whichever is earlier. Failure to register within this time frame constitutes a basis for exclusion from the College.

Anyone who disagrees with a decision made pursuant to this policy may appeal that decision to the Campus President, by making a request in writing for review within seven calendar days of the date of the receipt of a decision made pursuant to this

policy.

The Family Educational Rights and Privacy Act of 1974 (FERPA), 20 USC Section 1232g does not prevent educational institutions from disclosing information concerning registered sex offenders provided under the Wetterling Act, October 25, 2000, including information made available under the Campus Sex Crimes Prevention Act (CSCPA) 42 USC 14071 (j), amendment October 28, 2002) to that Act.

Information concerning registered sex offenders who may be attending Central Community College can be found at the office of the Associate Dean of Students. For additional information about the offender(s), refer to the Nebraska State Patrol Web site at: www.nsp.state.ne.us.

Reporting a Crime

Central Community College strives to inform the campus community in a timely manner of any potential threat to the health, safety, or security of all persons on campus.

If you encounter an emergency, dial 9-1-1. For non-emergency situations, visit the College Security web page at: <https://www.cccneb.edu/security> for contact information and reporting forms.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) requires colleges and universities across the United States to disclose information about crime on and around their campuses. To review CCC campus daily crime and fire logs, please visit the College Security web page at: <https://www.cccneb.edu/security>.

Resident Assistant Team

There is a Resident Assistant Team located on both the Columbus and Hastings campuses. The RA Team is comprised of active and knowledgeable campus residents who work closely with the Residence Life Office to ensure a safe and fun environment that supports academic and personal success. Resident Assistants understand and promote campus policies and procedures, assist in resolving residents' concerns, and plan fun and educational activities for residents, among other things. Each member is a resource for residents needing information about Residence Life or the other

areas of campus. Students may apply for RA positions in the spring semester and should be committed to the position for at least one year. Students must live in campus housing to serve on the team.

Room Scheduling

Students can reserve rooms for club meetings or other events. Contact the Associate Dean of Students office to inquire about availability and room reservations.

Safety and Security Tips

Residence, personal, or vehicle keys should be carried at all times and never given to others. Residence hall room doors should be closed even when the student leaves for a short period... Exterior doors to the residence halls should never be propped open. Vehicles should be parked in lighted areas and kept locked at all times. Valuables in vehicles should be concealed or removed. Don't walk alone, especially in unlit areas. Campus security is available for students who would like an escort while walking to class or a vehicle. In case of emergencies, immediately contact campus security.

Service Centers

Central Community College Service Centers assist students with a wide range of computer, access, and account assistance. This includes WebCentral, online learning access, student account access, password assistance, email set-up/help, mobile setup/help, and product help in Office 365, VDI, CCAAlert, PaperCut, and much more.

Walk up one-on-one assistance, over the phone step-by-step instructions, and computer remote control assistance is provided and free for all students. Service Centers are located on the Hastings, Columbus, and Grand Island Campuses.

Walk-Up Services:

8 am to 8 pm Monday-Thursday
8 am to Noon Friday

Phone Support is available at 308-398-7999:

7:30 am to 10 pm Monday-Thursday
7:30 am to 5 pm on Friday and
4 pm to 9 pm on Sunday

These hours are subject to change. For the latest updates on hours and specific locations visit <https://helpdesk.cccneb.edu>.

Sexual Misconduct/ Harassment

Sexual misconduct and /or sexual harassment of employees or students of Central Community College is strictly prohibited. Therefore, the college is committed to the belief that sexual misconduct and/or sexual harassment in the college is unacceptable conduct and will not be tolerated or condoned.

Sexual harassment occurs when unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature:

1. Are made either explicitly or implicitly, a term or condition of an individual's educational status or employment;
2. Are used as a basis for educational or employment decisions affecting such individuals; or
3. Have the purpose or effect of unreasonably interfering with an individual's educational or work performance or creating an intimidating, hostile, or offensive educational or working environment.

Sexual misconduct occurs when there is subjection of a person to any sexual act against that person's will or without consent, including any conduct that would constitute a sex offense, whether forcible or non-forcible. Complete details and definitions related to sexual misconduct are available on the CCC website at <http://www.cccneb.edu/What-is-Title-IX/>.

Sexual Misconduct/ Harassment Procedures

Any student who believes he or she has been the subject of sexual harassment is encouraged to:

1. Inform the offender that such behavior is inappropriate and is to stop.
2. Keep a written record of dates, times, places, witnesses, and nature of the incident.
3. Report the incident to the Title IX Coordinator at 308-398-7523, titleixcoordinator@cccneb.edu or online at: <https://cm.maxient.com/reportingform>.

For more information, visit www.cccneb.edu.

Solicitation

Central Community College reserves the right to approve or deny any and all solicitations, sales, promotions, etc., on college property as well as any location being used by the college when, in the judgment of the administration, such activities would create a nuisance, interfere with educational activities and/or promote products/activities.

Standards of Progress

To encourage successful academic progress throughout a student's program of study, the College has standards of progress expectations. Please visit the college catalog at <http://catalog.cccneb.edu> and click on the Instructional Information section to learn more about CCC's Standards of Progress.

Student Ambassadors

Student Ambassadors are paid personnel and part of the Admissions team. The Ambassadors represent the campus and assist in hosting group and individual campus tours as well as completing various office duties. Student Ambassadors welcome potential students and their families and share their CCC experience. Applications for Student Ambassadors are available each semester in the Admissions Office.

Qualifications include:

- Applicant must have a 2.5 grade point average.
- Must adhere to the Student Code of Conduct Policies.
- Must understand the CCC experience.
- Must have completed one semester of college at CCC.

Student Grievances

Students may obtain a copy of the Student Grievance Procedures from the Associate Dean of Students office or via the

CCC website at <http://www.cccneb.edu/StudentPoliciesandProcedures/>.

Student Academic Conduct

Each course offered at Central Community College and each instructor offering the course has developed a course syllabus, which outlines the instructor's expectations and policies in classroom management. Violations of these guidelines are outlined in the course syllabus.

Academic Integrity Procedures

Central Community College believes successful students are independent critical thinkers who possess the work ethic and skills necessary to make a positive difference in their professions and communities. In order to maximize student and community success, CCC is devoted to maintaining an honest academic environment and upholding integrity as a core value. All individuals across all course modalities are expected to practice academic integrity, which encompasses the fundamental values of honesty, trust, respect, fairness, and responsibility. In the case of alleged violations of academic integrity, Central Community College strives for fair resolution.

Instances of Academic Dishonesty:

Behaviors that violate the fundamental values of academic integrity at Central Community College may include but are not limited to the following:

- **Plagiarism** - Direct copying or paraphrasing without citation someone else's work (i.e. writing, images, video or audio).
- **Cheating** - Engaging in any behavior intended to achieve an unfair advantage for self or another in any academic exercise (i.e. unauthorized collaboration or unauthorized use of resources or data in a study).
- **Fabricating Information** - Inventing or falsifying information (i.e. making up resources and/or citations, falsifying academic records).
- **Facilitating Academic Dishonesty** - Soliciting, furnishing, or offering to

furnish unauthorized exams, quizzes, or academic materials; participating in academic sabotage.

Procedures for addressing violations of the Academic Integrity Policy are located on the CCC website at <http://www.cccneb.edu/Student-PoliciesandProcedures/>.

Student Non-Academic Conduct

The Central Community College community is committed to fostering a campus environment that is conducive to academic inquiry, an enjoyable campus life, and opportunities for thoughtful study and discourse. Central Community College values the rights of the individual student as well as the many responsibilities that students inherit as members of the college community. The student conduct program within the Division of Student Success is committed to an educational and developmental process that balances concern for the rights of individual students along with the interests of the entire CCC community.

A productive community exists on the basis of shared values and principles. At Central, student members of the community are expected to uphold and abide by certain standards of conduct that form the basis of the Code of Student Conduct. These standards are embodied within a set of core values that include integrity, social justice, respect, community, and responsibility.

When members of the community fail to exemplify these five values by engaging in violations of the rules within the Code of Student Conduct, campus conduct proceedings are used to uphold standards. The student conduct process at CCC is not intended to punish students; rather, it exists to protect the interests of the community and to appropriately address those whose behavior is not in accordance with our policies. Sanctions are intended to challenge students' moral and ethical decision-making and to help them readjust behavior in accordance with our community expectations.

The Code of Student Conduct can be accessed online at <http://www.cccneb.edu/StudentPoliciesandProcedures>. Click on "Student Code of Conduct". Copies in print are available from the Associate Dean of Students' Office on each campus or from

administrative staff at the centers.

Student Technology Usage Agreement Guidelines

The college encourages the use of the computer and telephone system with its Internet, and e-mail access. However, the computer and telephone system with its Internet and e-mail access is college property, and its purpose is to facilitate the learning process. Students are expected to use the computer and telephone system with its Internet, and e-mail access in a responsible manner. To ensure that all students understand their responsibilities, the guidelines outlined in the Student Technology Usage Agreement have been established for using the computer and telephone system with its Internet and e-mail access.

Any improper use of the computer and telephone system with its Internet, and e-mail access is not acceptable and will not be tolerated. Students are required to agree to the Student Technology Usage Agreement and complete the application for a login prior to creation of an account.

The full text of the Student Technology Usage Agreement/Guidelines is located at <http://www.cccneb.edu/studentpoliciesand-procedures>.

Tobacco Free Policy

Central Community College is committed to providing a safe and healthy environment for its employees, students, and visitors. No smoking or tobacco products are allowed on CCC property. Central Community College prohibits the use of all smokable products, smokeless tobacco and electronic smoking devices in all buildings, facilities, campus grounds, and vehicles. This action is in compliance with Nebraska RSS 28-1327 and 28-1328 and rule 58 and 59 of the State Department of Health.

TRIO/SSS

TRIO/SSS (Student Support Services) is a federally funded program available college-wide to ensure all resources are in place for first generation, low income, and/or students with disabilities to be successful in the completion of their educational program.

TRIO/SSS helps students stay in school, complete coursework, graduate, or transfer to a four-year institution. You may contact any TRIO/ SSS Coordinator about the application process and participation in this program.

Tutoring

Tutoring is available at no charge to all CCC students to provide the extra assistance necessary to succeed in the classroom. Specially selected and trained student tutors and professional tutors provide face-to-face and virtual tutoring options in most general education courses, as well as in specific program areas.

Contact the Academic Success Center on your campus, your academic advisor, or your course instructor to learn more about tutoring support.

Veterans & Military Resource Center

Central Community College provides dedicated Veterans & Military Resource Centers on the Grand Island, Hastings, and Columbus campuses and at the Kearney Center. The VMRCs reinforce CCC's commitment to recognize and support Veteran

students transitioning from the military to their next mission. Each VMRC provides a staffed, USO-styled area for students who share common backgrounds, experiences, and goals to connect; camaraderie is the key objective. Veterans can also obtain information about other organizations, groups and activities that create a true network of support. Our mission is to provide student Veterans, current service members and their families the resources, support and advocacy needed to be successful in the classroom and, ultimately, in life.

Central Community College has been recognized as a Top "Military Friendly School" by GI Jobs Magazine for ten consecutive years and ranked "Best for Vets" for small colleges by Military Times Magazine for nine consecutive years.

Video Surveillance Policy

Central Community College authorizes the use of video cameras on college property to ensure the health, welfare, and safety of students, employees, and visitors and to safeguard college facilities, vehicles, and equipment. Such cameras may be used in locations as deemed appropriate by the college but shall not be used in locations where there is a reasonable expectation of privacy.

Waiver of Liability

Central Community College is not liable for damage, theft, or loss of personal property. Students are advised to check their family insurance for coverage.

Weather Notification

Inclement Weather Notices

When inclement weather threatens, the president of the college or his or her designee will make any necessary decisions to cancel classes, delay classes, or close the college and all its operations. The decision will be announced through CCCAlert and on area radio, television stations, and the college website. Every attempt will be made to have the announcement aired by 6 am on the day of the closing or delay. If the college

is already operating when inclement weather forces such a decision, CCCAlert and a collegewide email will be used, as well as public media, to announce the decision. Students are encouraged to monitor their local weather and driving conditions to determine if they can safely travel to class. If hazardous conditions exist, students should not attempt to attend class that day.

Tornado or Severe Thunderstorm Procedures

Tornadoes usually occur in the spring and summer; they are formed by severe thunderstorms.

- Tornado or Thunderstorm Watch: Weather conditions are favorable for the possible development of tornadoes or severe thunderstorms. Continue normal activities but have someone monitor the situation and notify others if conditions deteriorate.
- Tornado or Thunderstorm Warning: A tornado or thunderstorm is occurring or sighted in the area. In addition to dark clouds and/or hail the emergency siren may sound.

If you hear a civil defense siren, receive a Severe Weather announcement, or threatening weather looks eminent, move to a designated tornado shelter area as quickly as possible.

Things to do:

- Move to a designated tornado shelter.
- Stay away from windows and areas with glass.
- Close all doors leading into tornado shelters.
- Avoid auditoriums, gymnasiums, and other large rooms with free-span roofs.
- Do not use elevators.
- Protect your head and face. Cover your eyes with your hands. Coats, jackets and books may be used to cover head, arms and legs to protect them from flying glass and other debris.
- If persons with disabilities cannot safely

move to the lowest level of the building, assist them to an interior room or hallway that is away from windows and areas with glass.

Do not leave the shelter until you have been notified by campus personnel that the warning has expired.

WebCentral

WebCentral is the CCC web portal for students, faculty, and staff.

Primary features of this web service allow the users to access college information: classes, calendars, student services, and other important college functions.

WebCentral brings many business elements of the college to the fingertips of the users. For example, individuals can apply, register, and pay bills via WebCentral. Grades and unofficial transcripts can also be viewed and printed. For additional features, please check our Central Community College website at www.cccneb.edu>WebCentral.

Web Access

- Go to the CCC Web site at www.cccneb.edu.
- Click on the yellow WebCentral link in the upper left corner.
- Enter your login and password with the steps below:

User Name: Your user ID is your first name (as entered in the college system) followed by the last 5 digits of your student ID number (LOWERCASE WITH NO SPACES)

EXAMPLE: John Doe, Student ID-0123456

USER ID: john23456

Password: Your initial password is the letters & symbol 'CCC#' followed by the last 6 digits of your social security number. The CCC must be capitalized!

EXAMPLE: SSN # 222-33-4444

PASSWORD: CCC#334444

If you do not have a social security number, your initial password is the letters & symbol 'CCC#' followed by the entire seven digits of your student ID number (include any zeros at the beginning). The CCC must be capitalized!

EXAMPLE: Student ID # 123

PASSWORD: CCC#0000123

It is highly recommended that you change your password the first time you log in. Your new password:

1. Must be at least seven characters long and not longer than sixteen characters.
2. Cannot be reset to any of the previously used 10 passwords.
3. Your password cannot contain your first or last name.
4. Must contain characters from all of the following three categories:

- Uppercase letters (A through Z)
- Numbers (0 through 9)
- Special symbols such as: \$, #, % etc.

Athletics

The Columbus campus provides inter-collegiate athletic competition in men's basketball, women's basketball, women's volleyball, men's golf, men's soccer, and women's softball under auspices of the National Junior College Athletic Association. Dance Team tryouts are posted in the Student Center.

Campus athletic squads host home games in the Physical Education Center.

Campus Closings

When severe weather arrives overnight or appears imminent in the morning, the decision to open or close the campus usually is made by 6:45 am. Because the campus is open until 10 pm on weekdays, a later decision to close may be made if severe weather develops after classes begin at 8 am.

In the event of inclement weather, you

may check school closing and late start information by calling (402) 564-7132 or 1-877-CCC-0780 and then following the prompt to “School Closing Information”.

Listen to radio stations KTTT-AM, KKOT-FM, KLIR-FM, or KJSK-AM in Columbus or KZ100FM in Central City or KSYZ-FM in Grand Island Television station KOLN (channel 10) will also announce closings. CCCAlert will also be utilized.

In addition, the campus may be closed at times for student activities or other events. These closings will be posted on campus.

Cheer and Dance Team

The Raider Cheer and Dance Team is a fun, energetic experience that brings cheer, dancing, and school spirit to Central Community College.

The team performs at home athletic competitions and various community events. Tuition scholarships and academic credit are

available for those that qualify. Membership is open to students by audition.

Columbus Campus Food Service Hours

Monday – Thursday – 7:30 am-7 pm
Friday – 7:30 am-5:30 pm
Saturday and Sunday – 11:30 am-5:30 pm

Food Service is closed for Fall Break, Thanksgiving Break, Semester/Holiday Break, Spring Break, and there are limited summer hours.

Fine and Performing Arts

Music and Theater activities are open to all Columbus Campus students, regardless of their college major. Scholarships are available for students involved in these programs.

Music performance groups include three choirs and two bands. The ensembles meet two to three hours each week and perform four main stage concerts per year. Instruments are provided at no charge.

Auditions are required for Spectrum (college chamber choir), Alethea (women's chamber), and the Columbus Brass. No formal auditions are required for the College Chorus or the Columbus Campus-Community Band.

Scholarships are available for all ensembles. Additionally, private lessons in vocal and instrumental music are available through the program. Please contact the music faculty for more information.

Theater performances are scheduled throughout the year. The schedule includes at least one performance each semester. All students are encouraged to audition or choose to get involved with set construction, publicity, design, costumes, or other supporting activities required for a successful production. Contact the theater faculty for information on theater opportunities.

ID Cards

All registered students may request and receive a Student ID Card from the Service Center. It is recommended that students carry their Student ID Cards with them while on campus. As needed, students may be requested to show their ID Cards to campus staff personnel for identification purposes.

Intramurals

Intramural activities are provided in a variety of intramural and informal sports activities designed to meet the diverse needs and interests of our students. Activities and dates are posted throughout the campus. An open gym and weight room schedule is also available.

Judicial Board

The Judicial Board is comprised of students and administrative hearing officers. The student court system hears and adjudicates cases that pertain to student behavior when established rules and regulations have been violated. The Judicial Board is administered by students with approval and advisement by the Associate Dean of Students offices.

If you would like a copy of the Judicial Board Constitution and Code or are interested in learning more about the Judicial Board, contact Heidi Wilshusen or Brenda Preister in Student Services.

Parking

Parking areas on the campus are designed to allow quick access to all buildings by emergency vehicles. Violating parking regulations can block this access and endanger students and staff in the event of an emergency. Please observe the following parking regulations:

Only campus-authorized vehicles may be driven on campus sidewalks.

Only residence hall students may park in the lot southeast of the South Residence Hall.

Permits must be attached for authorized parking. Residence hall students will receive permits from the Residence Life Office.

Disability parking is available in designated areas. Handicapped parking permits can be obtained from The State of Nebraska Department of Motor Vehicles.

Under certain circumstances, students may acquire an on-campus disability parking permit from the campus Disability Services Office.

Parking tickets are issued when drivers violate campus parking and traffic regulations. A record of violations and a schedule of fines are maintained in the Student Accounts Office. Students can pay campus traffic and parking tickets at the Student Accounts Office. Failure to pay tickets may result in

withholding of your transcripts and delay registration for future classes.

The roads and lots by the Residence Halls and Student Center are to be used only for temporary access and for deliveries. South Residence Hall students park in the lot located southeast of the hall. West Residence Hall students park in the West Parking Lot. A permit is required.

Student Activities Council

The Student Activities Council meets monthly and as needed to work with the Director of Student Activities to plan and host special and social events for the campus.

The council is open to all students in good standing with the college.

Student Center

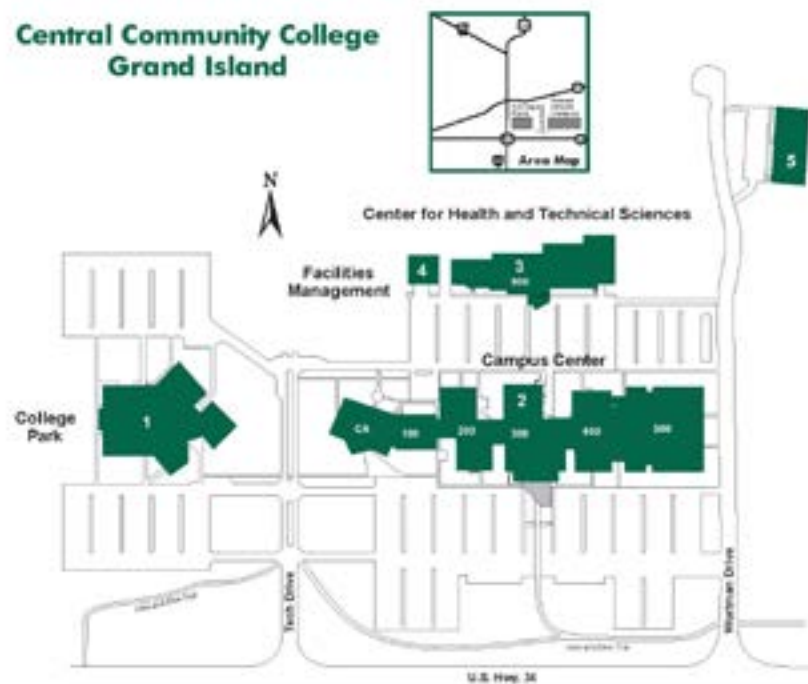

The Student Center provides recreation and relaxation between classes. Facilities include a television lounge area, study area, snack and drink vending machines and a game room featuring pool, table tennis, and foosball.

The Student Center is open 8 am-5 pm, Monday-Friday, when classes are in session. Evening hours will be posted when available. The recreation room is open during posted hours and equipment may be checked out with a student ID card.

Campus Closings

Campus closing or late start times caused by severe weather will be announced on KOLN/ KGIN-TV (Channel 10/11); NTV (Channel 13), KMMJ, KRGJ, KKPR, and KSYZ radio stations, and on CCCAlert.

In the event of inclement weather, you may check school closing and late start information by calling (308) 398-4222 or 1-877-CCC-0780. In addition, the campus may be closed at times for student activities, staff meetings or other events. These closings will be posted on the campus bulletin board.

Housing

Students attending the Grand Island Campus have the option of privately-owned apartments, rather than residence halls.

The city of Grand Island offers numerous opportunities for students to locate housing. The local newspaper, www.theindependent.com is a source for housing leads. An additional printed list of locations and prices is available from the Admissions Office.

While a formal meal plan is not available, Chartwells food service is open on campus for breakfast and lunch Monday through Friday. Students can purchase meal tickets through the student accounts office, by using financial aid, or directly from Chartwells Snack Bar.

ID Cards

All registered students may request and receive a Student ID Card from the Service

Center. It is recommended that students carry their Student ID Cards with them while on campus. As needed, students may be requested to show their ID Cards to campus staff personnel for identification purposes.

Intramurals

Intramural activities are provided in a variety of formats, from organized team sports participating in City Leagues to informal on-campus contests. These are designed to fit the interests expressed by the students. Information is posted on the Activities Board on campus.

Multicultural Resource Center

The Multicultural Resource Center (MRC) is located in room 297. Its mission is to serve as a resource to facilitate and promote diversity, inclusion and understanding through education, collaboration, and dialogue. The MRC is a casual environment, open during campus business hours for individuals and/or small groups to hang out, network, and more. By offering events, resources and discussions, the MRC team strives to create an environment of cultural awareness, tolerance, and acceptance of diversity. Staff work to develop programming and opportunities for students as well as a climate that celebrates multiculturalism at CCC. For more information, contact the Associate Dean of Students at 308-398-7541.

National Society of Leadership and Success

The National Society of Leadership and Success is an organization that offers students the opportunity to enhance leadership skills and network with other peer leaders around the nation. Students are invited to join by enrolling in a certain number of credit hours and maintaining a 2.5 GPA. Members complete leadership trainings, receive coaching on achieving goals, and attend motivational speaker events to earn induction.

Parking Lots

Students may park in any non-reserved space. Handicapped parking stalls are available in all our parking lots. Anyone who violates handicapped parking restrictions faces ticketing and fines by the Grand Island Police Department. Handicapped parking permits can be obtained from The State of Nebraska Department of Motor Vehicles. Please observe posted speed limits on all college property.

Snack Bar

Chartwell's Snack Bar is open Monday-Fri-

day, 8 a.m. to 2:30 p.m., during fall and spring semesters.

Student Activity/ Advisory Committee

The Student Activity/Advisory Committee is responsible for:

1. Promoting harmony among students, faculty, and administration by discussing areas of mutual interest and concern.
2. Developing and promoting social, recreational, and educational activities for Grand Island Campus students.
3. Helping to better the campus by recommending improvements to the faculty, administration, and student body.

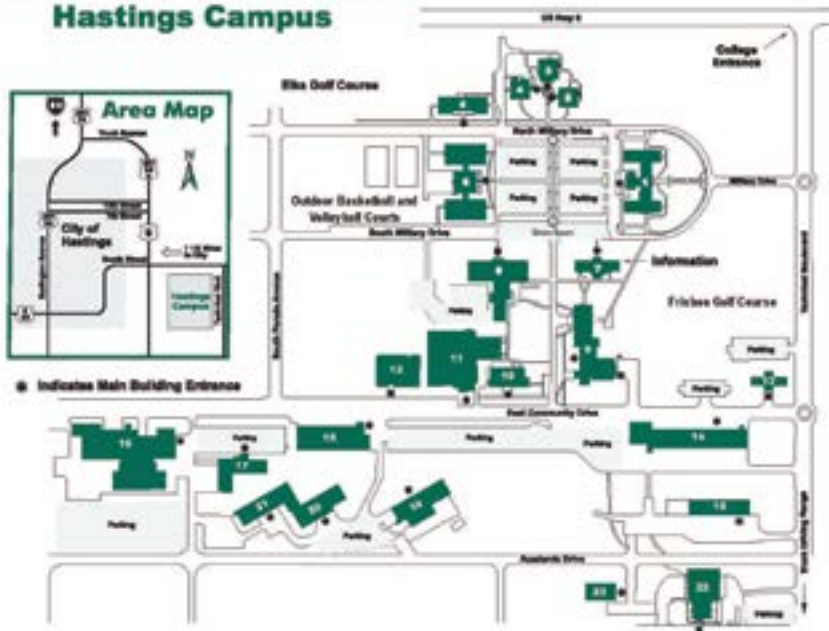

Student Recreation Center

The student recreation center provides a place to study and relax. It includes a television area, study area, lounge area, tables and chairs, pool, foosball, and ping-pong table.

Campus Closings

Campus closings caused by severe weather will be announced on local television and radio stations and on CCCAlert. In the event of inclement weather, you may check school closing and late start information by calling (402) 463-9811 or 1-877-CCC-0780. In addition, the campus may be closed at times for student activities or other events. These closings will be announced and posted.

Campus Computer Lab

The use of computers is available free of charge to students for college related activities. Computer labs are located in the Academic Success Center in Dawson, Library Resource Center in Nuckolls, and the Residence Halls.

See the staff at the locations for lab hours of operation.

Hall Student Union

The Hall Student Union is home to the Veterans and Military Resource Center, Career and Employment Services, Student Activities, and Campus Food Service. The Hall Student Union serves as a hub for campus student activities. Facilities include the cafeteria, snack bar, lounge areas, meeting rooms, and game room that include pool tables, Ping-Pong, and gaming TV's. Student information may be posted on the Student Union bulletin board (approval required).

Game Room Hours:

Monday-Thursday 8 a.m.-9 p.m.

Friday – 8 a.m.-4:30 p.m.

Snack Bar Hours:

Monday-Thursday – 7 a.m.-7 p.m.

Friday – 7 a.m. 2 p.m.

Note: The Game Room and Snack Bar are closed during student breaks and all weekends unless there is a special event.

ID Cards

All registered students may request and receive a Student ID Card from the Service Center. It is recommended that students carry their Student ID Cards with them while on campus. As needed, students may be requested to show their ID Cards to campus staff personnel for identification purposes.

Judicial Board

The Judicial Board is comprised of students and administrative hearing officers. The student court system hears and adjudicates cases that pertain to student behavior when established rules and regulations have been violated. The Judicial Board is administered by students with approval and advisement by the Associate Dean of Students offices.

If you would like a copy of the Judicial Board Constitution and Code or are interested in learning more about the Judicial Board, contact the Associate Dean of Students.

Parking

Parking areas on the campus are designed to allow quick access to all buildings by emergency vehicles. Violating parking

regulations can block this access and endanger students and staff in the event of an emergency. Please observe the following parking regulations:

Only campus-authorized vehicles may be driven on campus sidewalks.

Only residence hall students may park in the lot southeast of the South Residence Hall.

Permits must be attached for authorized parking. Residence hall students will receive permits from the Residence Life Office.

Disability parking is available in designated areas. Handicapped parking permits can be obtained from The State of Nebraska Department of Motor Vehicles.

Under certain circumstances, students may acquire an on-campus disability parking permit from the campus Disability Services Office.

Parking tickets are issued when drivers violate campus parking and traffic regulations. A record of violations and a schedule of fines are maintained in the Student Accounts Office. Students can pay campus traffic and parking tickets at the Student Accounts Office. Failure to pay tickets may result in withholding of your transcripts and delay registration for future classes.

The roads and lots by the Residence Halls and Student Center are to be used only for temporary access and for deliveries. South Residence Hall students park in the lot located southeast of the hall. West Residence Hall students park in the West Parking Lot. A permit is required.

Student Awards Gala

Scholarships, service awards, and other special recognitions are presented during the Student Awards Gala, which is held annually in April.

Traffic Regulations

Parking and/or driving is prohibited at all times on grass plots, or any other place where parking would mar the landscaping of the campus or interfere with the use of college facilities.

Any car left in any parking area during a vacation period will be towed away at the owner's expense, unless special arrangements are made with the Campus Security office.

Any car parked or stalled on the streets during snow removal will be towed at the owner's expense, unless the Campus Security office has been notified and a release form has been signed so the maintenance department can move the vehicle.

Violations of existing traffic regulations or

driving conduct detrimental to the college may result in loss of privileges.

No parking is permitted at any time where curbs are painted yellow or red.

The maximum speed limit on all college drives and roads is 15 mph unless otherwise posted.

Glossary Terms

During your college life at Central Community College, you may encounter several new words and phrases, which are very important to your education. We have listed some of these below with brief definitions to help you understand more about college life.

Advisor - When you enroll in a program, an instructor in that program will be assigned as your advisor. Your advisor will help you plan your course of study. In addition, your advisor can assist with academic concerns that you might encounter, program transfers, clearances from college, and other academic or personal concerns.

Credit by Program Examination/Prior Learning

- If you have prior training or related work experience in your area of study, you may be eligible to receive college credit. Work with your academic advisor and the program faculty or associate dean for more information.

Credit Hour - A standard unit of measure used to ascertain the educational value of course work offered by the institution, and for which tuition is charged. CCC awards credit on the semester-hour system.

Drop and Add - Changes in registration are referred to as “drop and add.” Students may make changes to their registration by adding, dropping, or withdrawing courses by the applicable deadlines. Students are responsible to initiate changes by contacting the Registration Office directly through WebCentral Academic Planning or via Phone Central (308-398-7412). Contact the Registration Office for specific information on add/drop/withdrawal procedures and deadlines.

Schedule changes may impact a student’s financial aid and/or ability to reside in the residence hall.

Full-Time Student - Full-time enrollment status during the fall and spring semester consists of registering for a

minimum of 12 credit hours and for the summer semester 6 credit hours.

General Education - General education courses introduce students to knowledge and skills that enable them to fulfill educational and occupational goals while at the same time enlightening them about social and cultural aspects of life.

Graduates who complete general education requirements become better prepared to function effectively as citizens in a democratic and technological society. General education competency requirements are grouped into the following categories: Communications, Critical Thinking & Problem Solving, Life & Career Skills, Information & Technology Literacy, and Global Awareness.

Hybrid courses - These courses offer students a course experience with both online and lecture components

Intramural - Non-varsity organized competitions hosted by Student Activities.

Leave of Absence - A leave from college may be taken for illness or personal issues.

Program of Study - A student’s major area of study.

Student Electives - Classes which are not specifically spelled out in the course of study for your program. These courses are called student electives. Your advisor can assist you in choosing electives, which suit your needs.
